Oral Cancer Awareness Programs

The information provided in this section is a tool for the office to utilize when presenting an oral cancer awareness program/screening either in the community or at the office.

Enclosed you will find the following items:
- Outline for Oral Cancer Awareness Programs
- Oral Cancer Patient Information
- Medical History/Mouth Map
- Oral Cancer Screening Consent Form
- ViziLite Plus® with T-Blue brochure
- Payment Receipts (to be used if needed when offering ViziLite Plus® screenings)
- Sample letter for the Oral Surgeon

Additional Resources
- Ask – Advise – Refer Quick Reference
- Five Keys for Quitting Smoking
- Five Keys for Quitting Chew

With the exception of the outline and brochures, these items can be customized for the office. Please contact the Marketing Department with the number of copies you would like.
